Dear Parents / Guardians

**EB Online Interactive English Programme**

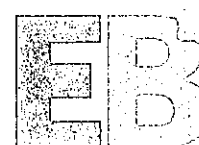

We are excited to announce that our English Department will be implementing the **EB Online Interactive English Learning Programme** for all students this year. The aim of this program is to enhance students' listening, vocabulary, speaking, and reading skills, providing them with the necessary tools to excel in the HKDSE.

EB is a comprehensive program developed in accordance with the Curriculum Guidelines for Key Stage 3 of the EDB. It utilizes advanced interactive teaching methods to cater to students' learning needs and foster their interest and proficiency in English. Widely used by secondary schools in Hong Kong, EB consists of integrated exercises in listening, speaking, vocabulary, and reading, incorporating the question types and topics covered in the HKDSE English exam. By utilizing this program, students can improve their English language skills and attain better results in their exams. They have the flexibility to set their own learning targets and choose the modules they wish to focus on. EB can be accessed across all platforms, including PC, Mac, iOS, and Android, making it easily accessible for students using any mobile device through a web browser. To encourage independent and lifelong language learning, outstanding students will be awarded certificates at the end of the year.

**To install EB Mobile**

The programme will run from 11<sup>th</sup> September 2023 to 30<sup>th</sup> June 2024. If you or your child have any queries about EB, please don't hesitate to contact Wiseman Education at 3188 2600 or via email at [eb@wiseman.com.hk](mailto:eb@wiseman.com.hk). We kindly request parents to carefully review the aforementioned arrangements and complete the E-notice by 22<sup>nd</sup> September. For any further questions or concerns, please feel free to reach out to Ms. P.Y. Li, the English Panel Head, at 2443 1363 during school hours.

Yours faithfully,
