Dear Parents/Guardians

"YLCSS Talent Pool" Program Parent Nomination

Our school firmly believes in the unique potential of every student. According to Howard Gardner's Multiple Intelligence Theory, students continuously develop various aspects of intelligence throughout their learning journey, including Chinese, mathematical logic, music, body and kinesthetics, interpersonal skills, and more. In line with this belief, our school has initiated the "YLCSS Talent Pool" project to nurture the potential of gifted students. This program aims to offer students who demonstrate outstanding performance in various areas additional opportunities for growth and development. The school will update the talent pool list annually, ensuring that students receive training in higher-order thinking and creativity.

If your child has achieved outstanding accomplishments in a territory-wide competition or has been identified as a gifted student by the Hong Kong Academy for the Gifted (HKAGE), we cordially invite them to join our school's "YLCSS Talent Pool." Through this program, our school aims to develop students' potential in various areas and broaden their horizons. Students admitted to the "YLCSS Talent Pool" will receive assistance from our school to participate in competitions or access training opportunities. All activities are free of charge.

Please complete the e-notice by 30 November for arrangements. If you have any queries, please contact Mr. C.P. Cheung, the vice principal, at 2443 1363 during school hours.

Yours faithfully

Ms. Wong Kin Yee
Principal
